

Senior Manager, DC Facilities

WHO WE ARE

Lululemon is a yoga-inspired technical apparel company up to big things. The practice and philosophy of yoga informs our overall purpose to elevate the world through the power of practice. We are proud to be a growing global company with locations all around the world, from Vancouver to Shanghai, and places in between. We owe our success to our innovative product, our emphasis on our stores, our commitment to our people, and the incredible connections we get to make in every community we are in.

ABOUT THIS TEAM

The DC Facilities team plays a business critical role ensuring distribution centers remain operational and in complete compliance with local regulations, statutes and ordinances. Facilities is responsible for maintaining and repairing material handling equipment & systems, powered user-operated equipment and the overall upkeep of Lululemon's distribution centers across North America and Australia. This team works closely with equipment and construction vendors along with internal teams including DC Operations, Engineering, Information Technology, Safety and Distribution Excellence.

A DAY IN THE LIFE

- Daily communication and alignment with Facilities teams and DC leadership across 6 North American and 1 Australian distribution center to ensure all facilities are operating as expected.
- Successfully execute action items tied to a \$26M portfolio of DC S.I. projects for 2020, including new facility start-ups.
- Be an innovator, anticipate future business needs and strategically build plans to meet those needs.
- Work closely with OSHA (United States) and Ministry of Labor (Canada).
- Oversee building projects, renovations, refurbishments, repairs and installations. Responsible for all equipment preventative maintenance, repairs and uptime.
- Point person for vendors, contractors and local regulatory agencies.
- Travel averaging 25% may be required.

QUALIFICATIONS

- 10+ Years of facilities maintenance experience in a warehouse, factory or distribution center environment.
- 8+ Years of experiencing leading facilities technicians. Multi-site leadership experience is preferred.
- Expertise in material handling equipment including powered conveyors, sortation systems, warehouse control systems and PLCs.
- Experience with powered user-driven equipment including high-bay pickers, reach trucks and pallet jacks.
- Previous responsibility and accountability for creating, managing and successful execution of Facilities budgets.
- Experience managing preventative maintenance and parts maintenance programs, including sourcing and ordering replacement parts.

MUST HAVES

- Acknowledges the presence of choice in every moment and takes personal responsibility for their life.
- Possesses an entrepreneurial spirit and continuously innovates to achieve great results.
- Communicates with honesty and kindness, and creates the space for others to do the same.
- Leads with courage, knowing the possibility of greatness is bigger than the fear of failure.
- Fosters connection by putting people first and building trusting relationships.
- Integrates fun and joy as a way of being and working, aka doesn't take themselves too seriously.

NOTE

Only those applicants under consideration will be contacted. Please accept our utmost appreciation for your interest. Lululemon is an Equal Employment Opportunity employer. Employment decisions are based on merit and business needs, and not on race, color, creed, age, sex, gender, sexual orientation, national origin, religion, marital status, medical condition, physical or mental disability, military service, pregnancy, childbirth and related medical conditions or any other classification protected by federal, state or provincial and local laws and ordinances. Reasonable accommodation is available for qualified individuals with disabilities, upon request. This Equal Employment Opportunity policy applies to all practices relating to recruitment and hiring, compensation, benefits, discipline, transfer, termination and all other terms and conditions of employment. While management is primarily responsible for seeing that Lululemon equal employment opportunity policies are implemented, you share in the responsibility for assuring that, by your personal actions, the policies are effective.
