TAKEYA USA, Columbus Ohio

Transportation Supervisor

April 2019 – present

Oversee the processing of retail orders (both drop ship and B2B) from various channels. Monitor portals for trading partners to ensure processes are up to date and compliant with all requirements. Improve OTD and packaging compliance with all customers and eliminate chargebacks. Work with the customer support team to set up and test new EDI trading partners. Immediately address any errors or issues with EDI transmissions. Develop processes to increase efficiency in order management and processing and create SOPs to train others on these processes. Aiding in system testing and implementation from Acctivate to NetSuite.

FLUVITEX USA, Groveport Ohio

Supply Chain Manager - Helped to start up Fluvitex's first American factory

February 2018 – February 2019

Led a team of ten employees including procurement, production planning, shipping, receiving, and finished goods inventory. Maintained and controlled both raw material and finished goods warehouses. Planned and monitored daily production. Responsible for \$8 million in yearly spend from 30+ vendors. Managed raw materials inventory of 280 SKUs and finished goods inventory of 73 SKUs. Handled all inbound shipments; 3-5 air LTL and 10-15 ocean FCL per month average. Oversaw outbound shipments to IKEA of \$1.25 million monthly average.

ROGUE FITNESS, Columbus Ohio

Logistics Coordinator/MFG Receiving Supervisor

November 2014 - February 2018

Prepared, managed, and delivered purchase orders related to over 50 SKUs of machined steel parts. Controlled inventory fulfillment of over 500 SKUs to various departments and monitored daily production to ensure finished goods quantities on hand were at optimal levels based on forecast. Trained and supervised a team of six employees. Involved in process improvement and implementation with engineering and IT departments.

BARE ESCENTUALS/SHISEIDO AMERICAS CORP - OHIO DC, Groveport, Ohio

Transportation Coordinator

October 2013 - November 2014

Oversaw, prepared, and coordinated all non-BE international shipments to 20+ retail customers; approximately 12 LTL shipments daily. Communicated with carriers and freight forwarders on all shipments. Ensured compliance with shipping of dangerous goods products and prepared IATA/IMO/SLI. Communicated and worked with operations to facilitate work flow and increase efficiencies. Maintained a 99% OTD and accuracy rate.

TURF CARE SUPPLY CORPORATION, Martins Ferry and Brunswick, Ohio

Transportation Assistant

January 2013 - September 2013

Created and compiled purchase orders with invoices and packing slips to prepare for payment. Entered daily production. Confirmed shipments in system once loaded. Assisted with order management and load planning when needed.

Raw Materials Planner

July 2011 - September 2012

Reviewed production requirements daily from MRP to determine current and future needs. Collaborated with planners to determine timing of purchase orders for raw materials. Created purchase orders and followed up with vendors and trucking companies to ensure on-time delivery of materials. Maintained 98% on-time deliveries and contributed to a management free cash flow of \$14,000,000.

Transportation Coordinator

November 2008 - July 2011

Filed and researched freight claims while maintaining database. Audited freight rates to ensure accuracy and utilization of lowest-cost carriers. Cross-trained with regulatory department to create new SKUs in ERP system. Backed up load planners

when needed.

Load Planner

April 2006 - November 2008

Arranged pick up and delivery of loads with carriers to internal hubs, service centers, and other customers. Worked with planners to coordinate loads and advance load plan based on EDI orders. Communicated with customers on their needs and specifications for delivery and notified of any delays.

Transportation Assistant (Temporary position)

January 2006-April 2006

Created and compiled purchase orders and utilized three way match with invoices and packing slips to prepare for payment. Entered daily production and assisted with other office duties as needed.

SOFTWARE SKILLS

Experience with MS Dynamics AX, MRP, EDI, various TMS and WMS (including Freight Logic, AS400, Ross ERP with Smart Client, Oracle - JDE and NetSuite, Red Prairie, and Acctivate). Assisted with multiple system implementations and EDI testing; ability to learn new applications quickly and proficiently.

CERTIFICATIONS

Previously hazmat certified and proficient in shipping via all methods both domestically and internationally. Currently acquiring six sigma certification. Future plans to acquire customs broker license.
