

CaaStle

Groveport, Ohio

Operations Supervisor

Join us on our journey to create a new economy for apparel!

At CaaStle, we pioneered the clothing subscription rental model, and we are powering it:

- *For apparel retailers and fashion brands*, to add the complement of rental to their traditional ownership business model.
- *For consumers*, to give them a new way to experience and embrace their favorite clothing retailers and brands.

We offer CaaS (“Clothing as a Service”) -- our proprietary technology, reverse logistics, marketing and infrastructure -- as a fully-managed, end-to-end solution through our CaaStle Platform. Brands include American Eagle, Ann Taylor, Banana Republic, Bloomingdales, Express, Fashion to Figure, Gwynnie Bee, Haverdash, Loft, New York & Company, Rebecca Taylor, Scotch and Soda, and Vince.

As we grow, CaaStle is looking for talented people who are excited to work in a dynamic, fast growing environment and who believe in our Values:

- Do the Right Thing by People
- Connect the Dots Differently
- Make Hard Choices for Long Term Growth
- Winning is a Shared Experience

Available Shifts:

- Monday - Thursday, 7pm - 5:30am

What you'll do:

- Coach and motivate a team up to 40 team members to achieve desired results to meet productivity, teamwork, safety, quality with a focus on CaaStle values and our customers
- Foster an environment of internal customer resolution, as well as exemplary company customer service
- Track daily productivity and balance departmental workflow
- Partner with peers to ensure all operational needs of the buildings are met including flexing labor
- Build team first environment within department
